

St. Cecilia Festival September 5-6-7

Promote Your Business with the #1 Church Festival in Northern Kentucky!

You are invited to **promote your business** through the sponsorship of St. Cecilia's Labor Day Festival! The church festival like no other!

We broke all records last year with 10k in attendance for the Night Ranger show! We continue our commitment to delivering the #1 church festival in Northern Kentucky. While we are blessed that our festival has grown each year, we still honor many of the same traditions that began in 1919. **The monies raised ensure that St. Cecilia's may continue its rich tradition of teaching children to achieve a full life in Christ.**

The entertainment line up promises to deliver an **AMAZING** festival!

Saturday, September 5th— St. Cecilia's welcomes **On the Border - A Tribute to The Eagles**. They are touted as the most authentic sounding Eagles Tribute in the country and have been featured on TV's "**World's Greatest Tribute Bands**". If you are an Eagles fan, you **DON'T** want to miss this show! We'll be delighted with songs like; Take It Easy, Desperado, Take It To the Limit, and Life in the Fastlane! Also, the Annual Brandon Garnett Memorial Fireworks Show is at dusk.

Sunday, September 6th- St. Cecilia's welcomes **ROCK LEGEND Eddie Money!** His blue collar brand of Rock n Roll transcends generations and continues to move audiences today. Having sold more than **28 million records**, you'll hear favorites like; Baby Hold On, Two Tickets to Paradise, Shakin, and Think I'm In Love! **DON'T MISS THIS SHOW!**

Monday, September 7th - St. Cecilia's welcomes **Oh What a Night – A Tribute to Frankie Valli and the Four Seasons**. Live from Las Vegas an **AMAZING** tribute! Enjoy all the favorites; Sherry, Big Girls Don't Cry, and **MANY MORE!**

Labor Day is also Family Day at St. Cecilia's! We'll have our famous chicken dinner and draw for our grand raffle a **2015 Corvette Stingray or \$40,000 CASH!**

The success of St. Cecilia's Labor Day Festival has been built on the Northern Kentucky businesses that have positioned themselves through sponsorship to promote their businesses. This unique sponsorship opportunity is available at a range of levels with varying promotional opportunities as outlined in the attached. **St. Cecilia's Labor Day Weekend Festival will be promoted heavily through radio, outdoor signage, grass-roots marketing and print media....adding significantly to the value of sponsorship.**

As you review the sponsorship opportunities, please note that certain levels are promoted in the pre-festival advertising and our lead-in events making it necessary to adhere to the given deadlines. **To ensure that your business is included in the appropriate promotional materials indicated (including T-shirts); we ask that you respond by July 30, 2015.**

We look forward to the opportunity of partnering with you for St. Cecilia's Labor Day Festival. As a business, this is fully deductible as an advertising expense while providing invaluable assistance to St. Cecilia's during our largest fundraiser.
